CHILDREN'S PROGRAM

Weekday Mornings

9:30 AM - Noon

This year's program leaders are:

Music & Devotions:

Jillian W. Murray and Mary Kate Postle

Crafts: *Butch and Beverly Byrum;*

Games: *Alstyn Plyler*

Children ages 4 to 12 are invited to join us for singing, devotion, crafts and games. Our craft program is geared toward 5-year olds and older. An adult must accompany younger children, since we will not have enough staff to give one-on-one assistance. If you can assist or know of someone who can, please see one of the leaders.

Teens are encouraged to volunteer!

CAMPGROUND CHOIR

This year's worship music and campground choir will be led by *Christa Lemmonds* and *Patti B. Lemmond*. This is an important part of our worship. We encourage those who enjoy singing to join the choir for practice on Sunday morning, July 18, at 10:00 a.m. (for 11 AM worship), and each weekday evening at 7:00 p.m. (for 8 PM worship).

Teens are encouraged to join us!

PRAYER

Pray for those preparing for camp meeting: ministers, youth leaders, choir directors, trustees and for all traveling and attending. Prepare your hearts and minds for a tremendous week of worship!

REVERENCE

It is our hope that everyone will attend the worship services, however, if you cannot attend, please remain quiet and reverent during the worship services. Please help us to see that children refrain from playing games (including swinging on the swings) during these sacred times of morning and evening worship.

TENT HOLDER'S MEETING

The annual Tent Holder's meeting will be Monday evening, July 19 immediately following the evening service.

Please confirm the Tent Contact name, address, phone annually at Tent Holder's Meeting.

This year's tent assessment is \$500.

Help us take care of business early. Turn in your assessment checks (marked with Tent #) to **Geoff Dietrich (Tent 29) prior to or at the meeting.**

TENT REPAIRS

Please cooperate with us as you have in the past. Have tent repairs completed no later than July 5.

Please check guttering for repairs and cleaning. Remove moss and debris from roofs. Check water lines, spigots and commodes that may be leaking.

Make any necessary repairs NOW so we do not have leaks to be repaired when camp meeting opens.

Please help us by conserving water and staggering showers.

Throughout the year, please be respectful of events (weddings, etc., in progress).

BOARD APPROVAL

Prior to beginning work, the Board of Trustees must review and approve:

*Any new construction

*Any changes made in or around tents (please no digging prior to clearance due to buried utilities).

*Change of tent ownership. Trustee Board must be contacted for approval.

RULES & REGULATIONS

Rules and regulations adopted by the Board of Trustees are still in effect to assure an orderly camp meeting. Each tent holder will receive a copy which should be posted for your guests. Note:

*No pets allowed inside grounds. (Pets may be walked on leash behind the tents, only.)

*Each tent should be equipped with a **fire extinguisher**. Inspect the electrical service in your tent. **Eliminate the use of extension cords** to prevent fire hazards.

*No smoking or vaping inside grounds

* No open fire pits. No insect repellent candles

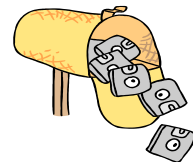

*Outdoor grilling equipment should be used only in the rear of the tents - not on the side, front, or inside of the tents.

TRAFFIC

Please observe the rules of two-way traffic.

Do not park on the sides of the road.

Please note that traffic is much heavier in the area this year. Take care with parking well out of the highway right-of-way and when crossing the highway as a pedestrian.
